

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. it's more important that we see real people from our own communities and more substantive news about issues that matter. Instead, they are outrageously abusing their power and illegally preempting regular programming to show a program smearing John Kerry. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. I hope you will stop this illegal action immediately. Thank you.
